REAL : ESTATE!

NEW ADDITION!

Don't Go Three Miles Out in the Country for Lots, when you can get them for the Same Money in

PARRISH'S ADDITION!

Only 3 Blocks from Cascade Avenue!
Only 3 Blocks from The Antlers Hotel!
Only 4½ Blocks from Post-Office!

THE STREETS IN PARRISH'S ADDITION

Are 100 to 140 feet in width. THE ALLEYS are all 20 feet wide. There are no 60 or 80 feet streets, and narrow, 10-foot alleys, such as are found in other loudly-advertised "Additions," with high sounding titles, where you pay high prices for lots, without duly considering that you are throwing away your money.

In the Alley Behind Every Lot in Parrish's Addition

There is a 3-inch Water Pipe, connected at Chestnut street with a 16-inch main: the Largest in the City's System. THE MAIN CITY DITCH, taking pure, clear water from the Fountain, runs just back of PARRISH'S ADDITION, and within a stone's throw of it.

YOU ARE SURE TO GET WATER

(Both from Pipes and Ditch) in PARRISH'S ADDITION if there is any water in the Fountain, even if other parts of the city are suffering from scarcity of the precious fluid.

REMEMBER THE FOREGOING, and then, when I tell you I will sell you a First-Class

LOT IN PARRISH'S ADDITION FOR $350

To $1,000 a full size lot 50 by 190 feet do not hesitate a moment about buying. You can buy two lots on a corner, and erect pretty little cottages ACROSS THEM, giving each cottage a neat, pretty little yard, and readily rent them, owing to the location, etc.

To Pay You 25 to 35 Per Cent Per Annum on the Entire Investment.

WHERE CAN YOU DO THIS ELSEWHERE?

THE STREET CAR LINE RUNS THROUGH PARRISH'S ADDITION, from East to West, and will doubtless soon be extended to the North, past the "Mesa Road," up to THE ROCK ISLAND SHOPS. *Lots are sold on Terms to Suit Buyers, if possible.*

I AM ALSO SELLING

LOTS IN CALVERT HEIGHTS!

On Easy Terms, and at from $300 to $400. They bear very much the same relation to

COLORADO CITY,

As do Parrish Addition Lots to Colorado Springs, and

I CAN RECOMMEND THEM AS AN INVESTMENT!

SURE TO PAY A BIG PROFIT DURING THE COMING YEAR.

CALVERT HEIGHTS IS BRIGHTER!

Is surrounded by growing and progressive enterprises. THE MIDLAND SHOPS lie at its Northeast corner. Colorado City proper is North and Northeast of it. Bott's Additions join it on the North and Northwest. Colorado Springs itself is in full view, only two miles to the Southeast, and last though not least important,

The Great Glass Manufacturing Works

Are erected and in operation just south of CALVERT HEIGHTS. I have arranged to have every lot supplied with PURE WATER IN PIPES.

THE LOCATION IS SUPERB!
THE SURROUNDING VIEWS ARE MAGNIFICENT!

Last year I recommended you to buy lots in Parrish's Addition, and they have paid a better Profit than any other lots on the market. This year I urge you to add to Your Investment as Many Lots in CALVERT HEIGHTS as you can afford to buy, with the result that before the year is out, *you will again be glad that you have taken my advice.*

CALVERT HEIGHTS! — THIRTY DOLLARS!

There are not very many lots altogether, and those who apply last may find them all gone, and will have *to Pay an Advance.*

It is reported that the New York Star will be bought by a company formed for that purpose and that Congressman Cummings will be placed in charge of it.

Mr George H. Crosby, the popular first assistant freight agent of the Burlington and Missouri railroad, is to be appointed general freight agent of the Burlington with headquarters at Omaha. The congratulations Mr. Crosby will receive from his many friends on this recognition of his abilities and efficient services will be mixed with regret that his new duties will take him from Colorado.

Governor Hill takes an opportunity to remark that he is on the best of terms with Mr Cleveland The latest proof of this warm friendship between the governor and the ex-president is to be found in the announcement that Hill has made the Albany Times the official paper of the state instead of the Argus, which has so long held that position. The Argus has always been friendly to Mr. Cleveland while the Times refused to support him for re-election. Such little acts as this will serve to convince everybody that Hill and Cleveland are just like brothers.

The Mississippi judge, in whose courts Kilrain was tried, says the latter must go to jail and serve his two months sentence, but in the meantime Sullivan is allowed his freedom and carries on his usual round of sprees notwithstanding the fact that he has not served his sentence of one year. Kilrain was acquitted of the charge of prize fighting and convicted on a minor charge, but it is probable that he would have preferred conviction on the graver charge and a heavier sentence if that would have been carried out as it has been in Sullivan's case.

The diamond badge which was presented to Chief Farley of the Denver police force by a number of the leading men of that city on Tuesday night was a handsome compliment to a deserving official. Chief Farley has not been in office very long, but he has been there long enough to show the people of the city it is his duty to protect, what kind of stuff he is made of, and the diamond badge is ample evidence of the satisfactory nature of the showing made. Under the Brady-Connor regime Denver had the opportunity of experiencing all the evils of a police force managed solely for the personal gain of those at its head. Under Chief Farley the people have seen the force changed from a corrupt political machine into one of the most efficient police departments in the country. It has not been easy sailing for Farley since he entered upon his duties. He has had to face much powerful opposition and his honest endeavors have made him many enemies among those who were accustomed to use the police force for other things than protection to the city. But Farley has won the day and Denver is to be congratulated on the results.

The effort on the part of democratic senators to make it seem that republican senators are opposed to a recognition of the Brazilian republic is an attempt to make political capital for themselves which will not pay. The republican senators who opposed recognizing the new republic did so with good reason. It would have been neither wise nor prudent to rush headlong to an adoption of a resolution recognizing the republic without any manifest action by the people of that country signifying their desire to live under a republican form of government. It is to be sincerely hoped that the old empire is gone never to return and that the republic has come to stay, but there is no certainty of this now. The latest news from Brazil indicates that affairs there are in anything but a settled condition and under the circumstances it would seem to be altogether the most prudent policy for this government to wait for a time. There is every reason to believe that every republican senator will be heartily in favor of prompt recognition when the assurance is had of the establishment of a firm and strong republic supported by the people of Brazil

Stock Market.

NEW YORK, December 26.—Owing to the closing of the London exchange to day and extremely slim attendance, the business done in stocks here was on the same limited scale as that of Tuesday, and the fluctuations, except in half a dozen stocks which monopolized all interest in speculation, were made within a range of less than half of one per cent Sugar was bought on the story that the capital stock was to be reduced by the cancellation of certificates It made a material advance in the forenoon and finally closed with a gain of one cent for the day. Final changes to night are for insignificant fractions except in Tenn. & Coal, which rose 1½. Governments were dull and firm.

Way up for Colorado.

DENVER, December 26 — Governor Cooper is in receipt of a certified check for $16,000 from the United States treasury with instructions to credit the same to the fund which the state is to receive in lieu of receipts from the sale of Ute reservation lands The lands from the sale of which this revenue is derived are comprised in the old White River and Uncompahgre reservations in the western part of the state, and were finally ceded to the government by a treaty with Chief Ouray and his followers in the spring of 1873 The terms of this treaty provided that the state of Colorado should receive 5 per cent of the net proceeds from the sale of these lands, and the check received by Governor Cooper is the first installment of this [illegible]

A Bunch of Keys

Boyd's last comedy will be presented at the opera house this evening. The San Francisco Examiner says: A Bunch of Keys at Baldwin's and at the Bush street theatre last night proved to be an improvement on the piece as it has been given before. Louise Raymond, as "Ted," sang and danced well, and danced with a good deal of grace. Dumont makes a very good Grandpa, quite as good as the whole, as Colonel Wix and W. Dunn's character out of Success. The best part is about the best one. The Hazel Dazzie song is very good. Some very good effects were produced in the quartet, consisting of Fanny Rice, Adele Rene, Frederic Hand, C. H. Bigelow and Hamilton Ivy. The piece was well selected and put on enough to the stage to warrant full houses. The company could not be better pleased. The audience was [illegible] with the play but lots of it is relevant [illegible]

Coroner Day was called to Hayden Divide Chevenne county to investigate the sudden death of Charles Wright a carpenter, who came with his little son from the east to the following particulars are learned. On Tuesday afternoon Mr. Wright and his seven years old son stopped at a neighbor's house and he complained of feeling badly. They went on home and after taking supper went to bed. The little boy went to sleep on his father's arm and when he awoke in the morning was in the same position. His father clasped him so tightly that he with difficulty got free. The little fellow made desperate attempts to arouse him, and finally in that, about 11 o'clock got on a horse and rode over to a neighbor's house. Here he stated that his father was so sound asleep that he could not awaken him. The neighbor returned with the boy and found that the father was dead. He left the little fellow alone to watch the body and went for assistance. It was dark when he returned and the boy had again gone to bed beside his father. After viewing the body Coroner Day decided an inquest unnecessary, as he was convinced the man died of [illegible]. Wright has a sister living in this city and also a little daughter.

A special meeting of the city council was held last night for the purpose of passing upon the petition of the Cheyenne Lake and Improvement company for right of way to lay pipe through Cheyenne park. All the members were present excepting Aldermen Sprague and Epley. The committee on public grounds and buildings, to which the petition was referred, reported in favor of granting the petition. Judge Colburn spoke for the company, stating that the object of the company in laying the pipe was to convey water to the reservoir which it built two years ago. The company has water rights in the Cheyenne creek but after building its reservoir it was found that its ditch did not properly carry the water to it, and the pipe line is being substituted. The [illegible] of calling the special meeting had been to permit the aldermen to take advantage of the fair weather. There was considerable discussion of the matter, but Aldermen Stubbs and Gillingham declared that they were not prepared to vote upon it, and it was decided to adjourn until this evening. To-day the aldermen will visit the canon and look the ground over.

A young man came driving rapidly down Cascade avenue about 5 o'clock yesterday afternoon and started to turn up Pike's Peak avenue. His buggy, however, crashed into Mr. J. E. Russell's wood wagon, and knocking over the seat threw Mr. Russell and his little son to the ground. Both were seriously injured, and Dr. Robinson was called to attend them. Later they were taken to their homes in one of the Colorado Springs Transfer company's wagons. The young man in the buggy was accompanied by a young lady, but his name could not be learned, as none of the witnesses of the affair knew him.

W. B. Mitchell, Sergt.

Wellington has a change in the Novelty ad this morning.

Just as a pointer for eastern farmers, we will state that plowing for spring wheat is going on all over the county.

A general invitation is extended to all to attend the ball to be given in the Munger block, Palmer Lake, on New Year's eve.

Reserved seats for "A Bunch of Keys" at the opera house to-morrow evening are now on sale at popular prices. They are meeting with a ready sale.

Mr. F. M. Pierson, of the North End barber shop, sports one of the handsomest gold headed canes in the city. It was a Christmas present from his employes.

The Saturday Mail yesterday received its new power press, and the work of setting it up is to be begun immediately. It is a Prouty press, which in construction is the simplest form of a power press.

The regular monthly meeting of the Woman's Aid society will be held Friday afternoon at 3 o'clock in the lecture room of the Baptist church. The board of managers will meet in the same place at half past two.

Water Commissioner Frost and his army of men now line the hill south of the hospital, laying the 6 inch water main which is to supply the reservoir east of the city. It is thought the line will be completed by New Year's.

One of the pleasantest affairs of Christmas night was the dancing party at Weber hall, given by Mrs. Whitbeck. Some forty couples were present, and danced until 12 o'clock. Mr. Metz and Mrs. Lawrence furnished some delightful music.

Invitations have just been issued for the grand annual ball of the Matt France Hose company, No. 1, which will occur at the city hall on New Year's night. The price of tickets admitting a gentleman and the ladies accompanying him, has been placed at $1.50.

The members of the Firemen's [illegible] on Christmas presented their leader, [illegible] Bishoff, a handsome gold [illegible] as a token of appreciation of his good [illegible]. The badge was a shield, with an open music book upon it, and a miniature cornet pendant from the top bar. The badge was made by Mr. Harry Allwein, with D. A. Shy.

The caterers who furnished the firemen by the [illegible] of the Jackson House company Christmas day was a very [illegible] From 4 until 9 o'clock in the evening refreshments were served, and [illegible] hundred persons paid their respects. The company has the satisfaction of knowing that the affair was thoroughly appreciated by its efforts, and we think its excellent committee for the way in which the affair was managed.

There was a pleasant wedding at the Deaf and Blind institute Christmas morning, being the marriage of Mr. Frederick H. Manning and Anna C. Wing. Both are teachers at the institute, and have many friends in the city, who wish them happiness. The ceremony was witnessed by only a few friends, and immediately after the couple left for Denver to spend the holidays.

Announcement of the death of Mr. C. H. Mills, at his home in Battle Creek, Mich., is made. Death occurred on Sunday night, December 22, 1889. Until about two years ago Mr. Mills was engaged in the real estate business in this city with Mr. L. E. Dwinnell. He had been a sufferer with Bright's disease of the kidneys for several years. Mr. Mills had a large circle of friends in this city who will regret to learn of his death, although not unexpected.

Manager Uffner has been doing a big business exhibiting the midget, Lucia Zarate, at the city hall. The place has been crowded every afternoon and evening, and the crowds testify to Manager Uffner's capacity and business knowledge. The little Mexican has been before the public for nearly twelve years, but was little known in the west. All the attention that has been drawn to her has been done through strictly legitimate advertising in the newspapers. Very little has been done in the way of distributing hand bills, gutter snipes or printed posters. There will only be two more days of the exhibition.
